

MANUSCRIPT PREPARATION

Recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly Work in Medical Journals

<http://www.icmje.org>

All manuscripts must be accompanied by necessary statements. Each author must read and sign all statements:

1. Authorship statement on criteria and responsibility.
2. Financial disclosure statement.
3. Copyright transfer statement (or the statement of federal employment, if applicable).
4. Human and animal subject protections.
In addition, the corresponding author must sign:
5. Acknowledgment statement. If necessary, photocopy this document to distribute to co-authors for their signatures. Please send all copies to the Editorial Office at the time you submit your manuscript.

Author statements

Please insert the relevant text under the subheadings below. A completed form must be signed by all authors. Please note that we cannot accept electronic signatures; all authors must sign by hand. Please complete multiple forms if necessary, and forward the signed copy with your submission, scan and email to:

Manuscript title:

Corresponding author:

Article type:

Does your manuscript have a reference number? No Yes

If yes, enter number here:

Does your manuscript have a handling editor? No Yes If yes, enter name here:

Each author must read and sign all statements:

6. Authorship statement on criteria and responsibility.
7. Financial disclosure statement.
8. Copyright transfer statement (or the statement of federal employment, if applicable).
9. Human and animal subject protections.
In addition, the corresponding author must sign:
10. Acknowledgment statement. If necessary, photocopy this document to distribute to co-authors for their signatures. Please send all copies to the Editorial Office at the time you submit your manuscript.

Manuscript title:

First author's name:

Authors' contributions

Please insert here the contribution each author made to the manuscript—e.g. literature search, figures, study design, data collection, data analysis, data interpretation, writing etc. If all authors contributed equally, please state this. The information provided here must match the contributors' statement in the manuscript.

Role of the funding source

Please disclose any funding sources and their role, if any, in the writing of the manuscript or the decision to submit it for publication. Examples of involvement include: data collection, analysis, or interpretation; trial design; patient recruitment; or any aspect pertinent to the study. Please also comment whether you have been paid to write this article by a pharmaceutical company or other agency. If you are the corresponding author, please indicate if you had full access to all the data in the study and had final responsibility for the decision to submit for publication. The information provided here must match the role of the funding source statement in the manuscript.

Conflicts of interest

Please declare for each author any conflicts of interest relevant to what you write. This includes employment, consultancies, stock ownership, honoraria, paid expert testimony, patent applications and travel grants. If there are no conflicts of interest, please state that there are none. The information provided here must match the conflicts of interest statement in the manuscript.

Patient consent (if applicable) - completion of this section is mandatory for Case Reports, Clinical Pictures, and Adverse Drug Reactions.

Please sign below to confirm that all necessary consents required by applicable law from any relevant patient, research participant, and/or other individual whose information is included in the article have been obtained in writing. The signed consent form(s) should be retained by the corresponding author and NOT sent to MEJFM.

I agree with: the plan to submit to MEJFM / WFM the contents of the manuscript; to being listed as an author; and to the conflicts of interest statement as summarised. I have had access to all the data in the study (for original research articles) and accept responsibility for its validity.
